Dear Glastonbury Landowners,

Greetings from the heart of Paradise Valley! It's been a busy year, and the Glastonbury Landowners Association's (GLA's) 20th Annual Meeting and Elections is just around the corner.

The purpose of this letter is to notify you that **nominations for six directors of the GLA Board (three from South and three from North) and two ombudsmen (one from South and one from North) are being accepted through noon, September 30, 2016.** GLA member landowners may nominate themselves or other members to serve in these positions.

If you have the skills and a desire to join us in building and maintaining a better community, it is our hope that you will consider volunteering your time and running for one of these positions. If there are other individuals who you believe are qualified and who share an interest in our community, we hope that you will encourage them to run as well. Please review the enclosed forms for eligibility requirements and the process to follow when nominating yourself or another landowner.

It is always gratifying to see both new and long-time members interested in joining the Board and participating in the decision-making process which affects all Glastonbury landowners. We welcome landowners to get involved and share their experience and skills!

We look forward to receiving your completed nominations and nominee forms by noon on September 30. In early October we will mail voting materials and information to you, including the names of the nominees for both North and South Glastonbury.

Sincerely yours,

Charlotte Mizzi, GLA President
