

SUPPORTING SIGNATURES FOR COMPLAINT AGAINST BOARD MEMBER CHARLOTE MIZZI

APRIL 4, 2018

We the undersigned members of Glastonbury Landowners Association, having read the attached formal complaint against Board member Charlotte Mizzi, agree that she should resign from the Board.

During her tenure on the Board, Mizzi has repeatedly disregarded the Covenants and Bylaws, violated these foundational rules of our organization by numerous actions on multiple occasions, and demonstrated a pattern of disregard of nearly all landowner complaints to hold her accountable in her position as their elected representative.

The Governing Documents are the sole reason the Board exists. In light of her disrespect for these requirements and active effort to undermine them even when forewarned, she must not continue to sit on the Board. We insist that the Board demand her resignation.
