Dear Kathleen,

Thank you for sending the information attached to your email. There is an outdated "Realty Transfer" form on our GLA website. The form has the address for Minnick Management in Bozeman and we will update the form soon. So the information you sent went to an old address. Please provide the address of Parsifal Pittendorfer who now owns NG 53-C. We will update our GLA records with you as the owner of NG 53-B and Parsifal as the owner of NG 53-C.

The subdivision was recorded with Park County on September 8, 2016, and you conveyed the property to your son the same day. You sent the Realty Transfer form to the GLA a year later. When you paid assessments on NG 53 from 2008 to 2017, the assessments were credited to NG 53 under your name because NG 53 was the only lot we had a record of.

When the board discovered your name on both NG 53-B and NG 53-C on Cadastral (see attached document) last week, it caused concern that you were not a member in good standing and able to be a candidate for the November 11, 2017 board of directors election.

Please contact the board by email: info@glamontana.org, or by phone: 406-451-0033, or by postal mail: PO Box 312 Emigrant. MT 59027.

Thank you,  
Charlene Murphy  
GLA Secretary
